- 1 piece 8 1/2" x 10" (22 x 25 cm).

### SEW AND EMBROIDER

**Hint:** Embroider all designs in fleece with tear away stabilizer underneath the fabric and dissolve away on top to prevent the stitches to sink into the fleece. Cut the pockets with a rotary pinking shears for a wavy edge. Cut the size for all pockets to 8" x 8" (20 x 20 cm) and sew them to the blanket with presser foot A and straight stitch.

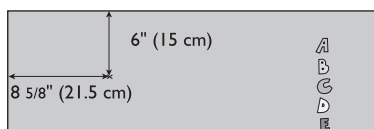

Embroider a horizontal row of letters in various colors from card/disk/d-Card 44, Hannas Abc along the right edge of the blanket, approximately 4 3/4" (12 cm) from the edge.

#### POCKET 1

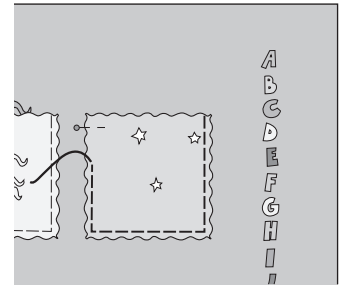

Select embroidery 15. Step forward to color change 3 and embroider the outline of design 15, the octopus on yellow fleece. Use yellow embroidery thread in the same shade as the fleece. (Embroider this design without watersoluble topping.) Cut out a 8" x 8" (20 x 20 cm) pocket with the octopus centered on the pocket.

Mark the starting point for the blue octopus 6" (15 cm) from the upper left edge and 8 5/8" (21.5 cm) from the left side edge of the red fleece as illustrated. Embroider the design. Sew the yellow pocket on top of the octopus so it is halfway visible underneath pocket.

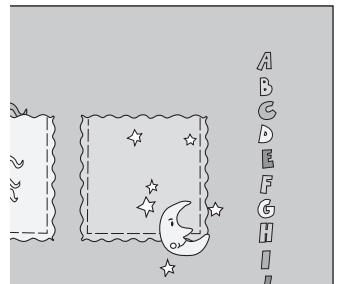

#### POCKET 2

Go into Stitch Editor. Remove the moon in design 13. Embroider stars on the orange fleece. Cut out a 8" x 8" (20 x 20 cm) pocket with the stars positioned in the upper right corner. Pin and sew the pocket beside the yellow pocket on the red fleece.

Hoop the blanket and the lower right corner of the orange pocket and embroider design 13.

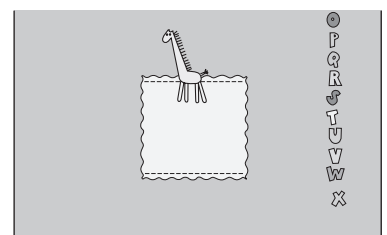

#### POCKET 3

Go into ReSize Plus and relarge design 3, the crocodile to height 135, width 120 mm. Hoop orange fabric and embroider the design. Cut out a 8" x 8" (20 x 20 cm) pocket and pin and sew the pocket below the yellow pocket.

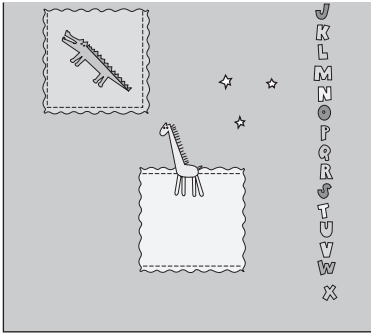

#### POCKET 4

Go into ReSize Plus and relarge design 7, the giraffe to height 140, bredd 187 mm). Cut out a 8" x 8" (20 x 20 cm) piece in yellow fleece and sew only upper and lower edge to the red fleece to create a pocket to warm your hands. Mark the center point for the giraffe design about (1 cm) above the edge of the pocket so the lower part of the body and the legs will be embroidered on the pocket and the rest on the blanket. Hoop and embroider the design.

**Hint:** Use 30 wt. Embroidery thread to cover fill areas better.

Embroider a few extra stars to the right of the crocodile pocket.

Turn under 1 1/4" (3 cm) on the long sides of the blanket. Use a wavy straight stitch to stitch the hem to the sides.

Make a fringe of the short sides of the blanket. Cut with a scissor or use the Shape Cut Plus, rotary cutter and mat.
